## Tournament Format

### Holes 1-6 Alternate Shot

Both players drive the ball – then switch and hit your partner’s ball. After the 2<sup>nd</sup> shot the best ball is selected and straight alternate shot until the ball is holed.

### Holes 7 – 12 Better Ball

Both players play their own ball. The best score of the two is recorded.

### Holes 13 – 18 Scramble

Both players tee off, the ball in the best location is selected and then both players hit from that spot. Same format until the ball is holed.

## The Scoring

Each 2 player team will have an 18-hole team score.

All teams will receive 70% of their combined handicap.

Their handicap will be established by adding the two players’ handicaps together, dividing by 2 and then multiplying by 70%.

The Gross Team Score less the Team Handicap will give the total **Team Score**.
